HD Series – Pressure Steamer

Steam / Hot / Cold Water: Diesel Heated, Electric Motor

The **HD Series** offers rugged, dependable, affordable washing. It features a heavy-duty stainless steel frame, handles, panels and coil protection – offering superior corrosion resistance, as well as four pneumatic wheels. The HD Steamer is versatile. With its super hot steam and very little backsplash it is ideal for cleaning and sanitizing inside enclosure spaces such as winery barrels and piping or melting away grease in an auto repair shop – or anywhere else sanitizing and degreasing are needed.
